Building A Legacy of Leaders For Christ

June 21, 2020

For Immediate Release:

In the Fall of 1972, Richard Oldham cast a vision. Having already seen God work in miraculous ways on a number of occasions as pastor of Glendale Baptist Church, he desired to provide a space for young people to be raised up in an educational environment that would not only equip students with knowledge, but with wisdom, with making Godly decisions, and ultimately, to see them yielded to the will of God for their lives and sent out as ambassadors for Christ. As a result, Anchored Christian School officially began.

In the Fall of 1994, a group of local Warren County families had a similar vision, a place where students would not only engage with higher ed, but with a higher power. Providing students a Christian education that encouraged commitment to Jesus Christ, academic excellence, high moral character, and service to others, Bowling Green Christian Academy was founded.

Now, in Fall 2020, these historic entities are forging their histories as Legacy Christian Academy of Bowling Green, a premier, one of its kind pre-K-12th grade school that will impact this region for generations to come. By combining our legacies, we believe Christian education can be stronger than ever. Whether your child's education comes through private school, public school, or home school, our desire is to partner with you and to bless this community by demonstrably showing and sharing God's love, by being salt and light.

We're located at Glendale's 16-acre 1807 Cave Mill Road campus (itself relaunching September 13th this Fall as *Glendale at Cave Mill*, glendalecavemill.com), behind the new Hobby Lobby, across from Greenwood Mall. Our 25,000 square foot home comes equipped with 15+ classrooms all the way from Preschool-12th grade, complete with a high school gym and commercial cafeteria, with plenty of land to grow.

We aim to send hundreds, if not thousands, of our graduates out into churches, into mission fields, the medical field, education, the business world, and the home, wherever their life's calling may take them. Our prayer is that they will have the highest standard possible, which is to love the Lord our God with our minds. At Legacy Christian Academy, our mission is building a legacy of leaders for Christ.

Don't just leave a legacy. Live one!
